January 27, 2020

Greetings from the Principal,

Our hearts and prayers go out to our families and community affected by the closing of **Our Lady of Bellefonte Hospital**. We are having Eucharistic Adoration on Friday morning this week following 7:50 Mass until 10:30 closing. This would be a perfect time to come and pray for the intercession of Our Lady and Our Father to help us understand and accept, but also to remember that God always has a plan. Please give us the patience and understanding to see His plan come to fruition.

Happy Catholic Schools Week!! Thanks to Father Livinus, students who helped with the ministries and everyone who attended our opening Catholic Schools Week Mass yesterday!! Also, very special thanks to our Knights of Columbus for our delicious spaghetti dinner! What a Fantastic way to start! Please see our flyer about the activities for this week.

We are making **two changes to our schedule this week**. Due to lack of student participation, difficulty getting drivers, and sketchy weather we will not be attending the Mega Mass in Lexington on Wednesday. Instead, we invite you to attend the 7:50 Mass at Holy Family that morning to celebrate our Catholic School. Everyone is welcome to attend. On Thursday we will have visitors from Bert's Pet Center with lots of fun critters for the students to get to know.

Please don't forget we need to sell, sell, sell the **Irish Reverse raffle tickets.** Ask family, friends, and neighbors to join us for this evening of fun. We will have silent auction items created by the students themselves, yummy hors d oeuvres, music and a chance to win some cash prizes☺

Thanks for all you do,

Mrs. Kempf

3rd Grade News

What we have planned this week:

Reading – We will not be doing spelling homework in a traditional sense this week, however, we will be working on phonics and note taking while we read stories in class. I want the students to be able to incorporate their knowledge of spelling and phonics into their writing.

Math – For the majority of our class, our focus will be on the memorization of math facts. It seems as though this has been a constant effort, but I firmly believe in the importance of the facts being memorized in order to help with more advanced mathematics.

Social Studies – We are learning about the variety of cultures that makeup America (one group of people). We will also be talking about Chinese New Year.

Science – We will be using our Science Simple Solutions.

Handwriting – Practice. I have begun incorporating cursive into my own writing on the board to help them read cursive. Some of the students have been using cursive for their work. I would like to have all of the students using cursive by the end of the year. They are doing a fantastic job!

*Keep in mind that there is a website through which you may look up books for AR levels and points. It is called arbookfinder. I use this all the time at home. The students are more than welcome to read AR books at home and take a quiz the following day (such as reading for their reading log).

Important Information

It is CATHOLIC SCHOOLS WEEK!

Yay!! I know the kids are going to love all of the exciting events and fun dress we will be doing!

January 28th is the 100th day of school. The students may make 100 day of school shirt and wear with uniform bottoms.

Book Fair this week! Our scheduled day is Tuesday for parents or grandparents to eat lunch. If you plan on having a tray, let me know in order for Ms. Mary to get an accurate count.

Tuesday is KONA ice day!

Also, we are collecting travel sized bottles of shampoo for the church without walls this week as part of our community service project.

No spelling homework this week. We will be focusing on math facts. They will have homework in math.

Please remember our SCRIP program. It is a great way to help support the school.
