Dear Parents,

Well, the end is here! I want all of you to know that I have truly enjoyed this school year. Your children are amazing, and I have loved each moment that I was able to spend with them. You are wonderful parents and you have made this year so enjoyable. I am going to miss all of you and your kids. From this point forward, they will be “my kids” the rest of my life. If there is ever anything that I can do for you, please let me know.

Tuesday, May 14, is our field trip to Cinemark Movies 10.

Wednesday, May 15, is the performance of The Lion King at 1:30pm.

On Friday, May 17, we will dismiss at noon. This will be the last day for students. There will be a short awards ceremony in the gym that morning at 9:00. You are welcome to attend.

I will be sending home each child’s Simple Solutions book. They can work on their math skills over the summer by using these books. I recommend that you encourage your child to read over the summer. They also have Reading Eggs and Splash Learn accounts that can be accessed from home. They will be active until August.

I wish you all the best summer that you can possibly have!

God bless each of you!

Thanks,

*Ms. Collins*
