January 27, 2020

Greetings from the Principal,

Our hearts and prayers go out to our families and community affected by the closing of **Our Lady of Bellefonte Hospital**. We are having Eucharistic Adoration on Friday morning this week following 7:50 Mass until 10:30 closing. This would be a perfect time to come and pray for the intercession of Our Lady and Our Father to help us understand and accept, but also to remember that God always has a plan. Please give us the patience and understanding to see His plan come to fruition.

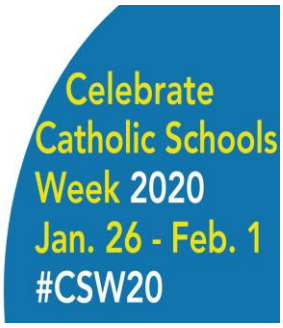
Happy Catholic Schools Week!! Thanks to Father Livinus, students who helped with the ministries and everyone who attended our opening Catholic Schools Week Mass yesterday!! Also, very special thanks to our Knights of Columbus for our delicious spaghetti dinner! What a Fantastic way to start! Please see our flyer about the activities for this week.

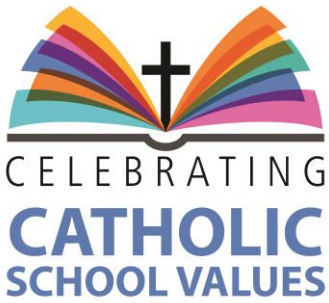
We are making **two changes to our schedule this week**. Due to lack of student participation, difficulty getting drivers, and sketchy weather we will not be attending the Mega Mass in Lexington on Wednesday. Instead, we invite you to attend the 7:50 Mass at Holy Family that morning to celebrate our Catholic School. Everyone is welcome to attend. On Thursday we will have visitors from Bert's Pet Center with lots of fun critters for the students to get to know.

Please don't forget we need to sell, sell, sell the **Irish Reverse raffle tickets.** Ask family, friends, and neighbors to join us for this evening of fun. We will have silent auction items created by the students themselves, yummy hors d oeuvres, music and a chance to win some cash prizes☺

Thanks for all you do,

Mrs. Kempf





2nd Grade Classroom News
Jan. 27, 2020

Dear Parents,

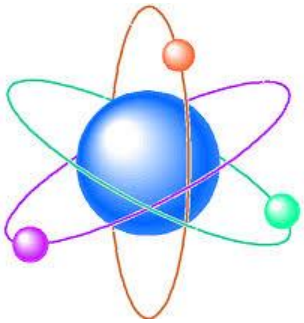
This is Catholic Schools Week! We are going to be so busy this week celebrating our Catholic school! We are all so fortunate to be able to educate our children in a Christ-centered environment. A list of events has been sent home in Monday folders. I would like to address my snow day policy, even though we may not have any. If we have a scheduled test or homework assignment and we do not have school on that day, the test or homework assignment will be due on the day we return. For example, if we have a science test scheduled for Tuesday and we miss Tuesday, the test will be on the day we return to school. If there are circumstances in which I feel the test date will need to be changed, I will have it posted on the website and I will also send an email.

THE FOLLOWING IS OUR AGENDA FOR THE WEEK:

- **Reading: We will finish "My Name is Gabriela" p. 91**
- **Spelling: There will be a practice test on Thursday and a test on Friday. A spelling list has been sent home and is also available on the website.**
- **Math: Chapter 7 "Money and Time"**
- **Social Studies: Needs and Wants**
- **Science: We will finish "Hearing Sound." A study guide will be sent home and will also be available on the website.**
- **Religion: Chapter 6 and First Reconciliation**

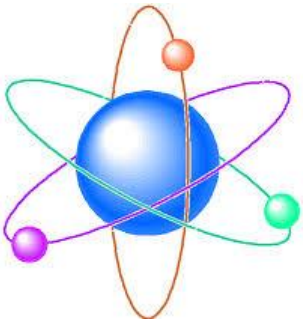
I can't believe that February is here! Our classroom Valentine's Day party will be on Friday, February 14, 2020. You are all welcome to join us for the final classroom party of the year! Students may wear jeans with a Valentine's Day shirt. Please remember to utilize our SCRIP Program! This is such an easy way to earn money for our school and keep tuition costs down. As always, if you have any questions or concerns, please feel free to contact me. Have a wonderful week!

Thanks,
Ms. Collins



Science

Unit F, Chapter 2



"Hearing Sound" Study Guide

- Sound is energy that you can hear.
- A whistle is a high pitch.
- Our vocal cords vibrate when we talk.
- Our ear drums vibrate when we hear.
- Sound can travel through solids, liquids, and gases.
- An audiologist tests our hearing.
- Dolphins use sonar to find things.
- Loud noises can damage our ears, so it is a good idea to wear something to protect them when we are going to be around loud noises (ex: jackhammers, concerts).
- Tools such as jackhammers cause loud vibrations.
- People, canaries, and whales can sing.
- Students need to be able to tell me how they could tell the difference in the pitch of a large drum and a small drum.
- Students need to be able to put the following in the correct order:
  - The sound waves move through air.
  - A person strums the strings of a guitar.
  - Someone hears guitar music.
  - The strings of the guitar vibrate.

Holy Family Playschool & After School Programs

Jan.27th – 31st, 2020

Last week we had fun talking about LETTER Qq and doing crafts, reading books and other activities about Queen, Quilt, Quiet and Quack.

This week we will be celebrating Catholic School Week.
We have a list of things happening in the school if you'd like to participate.

MONDAY is Community Service Day and Free Dress.
Also, they're asking if you would like to donate a set of **4WASHCLOTHES** for our Community service this month, they're taking them up on Monday!

TUESDAY is 100th day of school. You can wear 100 items, if you want to make shirt!!
It is also Dance Day.

WEDNESDAY is fun beach day!

THURSDAY is FUN Day! Free dress

FRIDAY is Movie Day!

WE WILL BE HAVING OUR BOOK FAIR THIS WEEK. HOPE YOU WILL COME AND LOOK!

If your child needs after school care, feel free to contact me at (606)324-0261 or nredden@cdlex.org.

I am working on tax forms for the 2019 year if you need a printout please sign your name on the list by the sign in book and I will get them to you ASAP
