WEEKLY

CLASSROOM NEWS

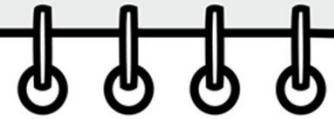

I am so excited for the 2022-2023 school year! We have so many fun things planned, and I am thrilled your child is in my classroom this year! Usually in this section I will highlight what our learning targets for the week are. This week we will be focusing on building or classroom norms and building a loving classroom community. I will also be doing some math and reading assessments. Students will also be creating classroom goals and personal goals for the year!

I will also be using Google Classroom as my way of communicating what we are doing inside of the classroom. Please join our Google Classroom using the code below:
