

## LESSON FOR THURSDAY APRIL 16

**Thursday, 4-16-2020**

Good Morning!!! Remember to put your name and the rest of the heading on your papers. 😊 Continue to pray for our country and our special friends in the nursing home. Ms. Meeker turned “90” over break and I sent her a card from our class. Unfortunately, her family couldn’t visit her due to the virus. Keep her in your prayers please. See the picture of her I attached that the nurses took.

**Religion**-say the rosary today to continue our class prayer even though Lent is over. Offer it up for ALL humankind as a COVID-19 cure is found. Please say the “Glorious Mysteries”- 1. The Resurrection, 2. The Ascension, 3. The Holy Spirit’s descent on the Apostles, 4.The Annunciation, 5.The Coronation. Maybe your family can say it with you!! Thank you!

**Spelling- TEST** (Parents please give your child the test. I say the word, put it in a sentence then say the word again to give them a chance to write it. DON’T do the words in order. The last 2 words please put in 1 sentence and your student needs to write the sentence out.) I TRUST you to be the “teacher.” Don’t worry about the grading. Just put the test in their homework folder and I will grade when I get them back. Thanks so much for your help!!!

**Grammar**-simple solutions quiz #13 (see the attached). You may print if can or just put answers on notebook paper. **DO NOT** use your book during the testing time. Thanks!!

**Writing**-cursive p. 80

**Math**-text p. 274-275. Please really look over p.274(note the 2 examples with the orange sideways triangles). Look at those examples to help you solve p. 275 #4-8 AND #12-16 on notebook paper. Front-end estimation and rounding are two different things so LOOK at them. 😊

**Social Studies**-unit 7 lesson 2 read p.298-301. Write out the vocabulary and definitions on p.298 in your notebook. Make sure you head it “Unit 7 Lesson 2”.

**HOMEWORK:** Reading-AR

**HAVE A GREAT EVENING!!!**
