

LESSON FOR THURSDAY MAY 14

Good morning!! **Remember to put your name and the rest of the heading on your papers.** 😊 Continue to pray for our state and country as we slowly try to find a new “normalcy”.

RELIGION-chp. 19 p.291-292 complete the review. Check your answers with mine when you have completed it. Use this as your study guide for our **LAST** religion test tomorrow.

GRAMMAR-wkst. 234-235complete. Please read over p.234 about adjectives. I have marked it off for you. **DO NOT** write the sentences. Just write the answers on notebook paper if you can't print.

WRITING-we have 3 HFS second graders who will be receiving their **FIRST HOLY COMMUNION** when this pandemic is over. My class always makes cards for them. Today we are going to make a card for Grayson(Sophia's brother). Shh.. Sophia don't tell him. I put 3 cards in your drop off folder. Use one of them today to make one for him. **PLEASE PRINT** in this card as he doesn't know how to read in cursive. You may use crayon, colored pencil or markers. Please write “Congratulations Grayson” on the cover and draw a nice religious picture(maybe a chalice with the host). On the inside, write a letter correctly by starting out “Dear Grayson, ..” You may tell him you are so happy for him and about how special receiving this sacrament is. I would like 3 sentences then sign “your friend, (then your name and grade). I will collect these at the next drop off and get them to Ms. Collins. Thanks!

MATH-review worksheet #51 on multiplying decimals

SCIENCE-please see BrainPop for assignment

READING-simple solutions lessons #23 and AR read so can reach goal tomorrow!!

HOMEWORK: AR-ONLY if you have not reached your goal!!!

HAVE A GREAT EVENING AND GO OUTSIDE!!!! 😊
