

# Dress Down Days Guidelines

Dear Parents,

This year has been a bit off. I mean pandemic, flooding, power outages and I hear locusts are coming in May. Quite honestly dress downs have been moved and even omitted because of the craziness. I've even over looked a couple of infractions. But, after our Twin Day Dress down during Doctor Seuss week we have got to get back on track.

I would like to talk about all dress down days for a minute. Notice I didn't say Spirit Dress down because I am referring to **any time** we have a dress down. Getting dress down at a school that wears uniforms is a fun way to reward students, allow them to show school Spirit, or just because it allows them some freedom of choice.

HOWEVER, we still have **rules for dress down**, whether it is Spirit Dress Down or a special dress down. They are:

1. Absolutely no ripped clothing of any kind will be allowed.
2. Absolutely no tight fitting pants or shirts will be allowed.
3. Slogans, pictures, or verbiage that is offensive, vulgar, or satanic will not be allowed.

All of these happened in one day and were dealt with and that is why I am sending this letter before our next Dress down. It is a Spirit Day Dress Down Friday, March 26<sup>th</sup>.

**Lastly, for dress down I will allow leggings BUT only if they are worn under pants, skirt, skort, or a shirt that comes to mid-thigh or longer. I will even try this on regular non dress down days. They may be worn under the uniform skort or skirt. They cannot be worn to replace pants!**

I Love our school and I love being able to do fun things like a special dress down or Spirit Day and will continue *to have them as long as we follow the rules* 😊
