## A Peek at Our Week

## Upcoming Events

### Reading: **One Earth**

I will integrate reading and with science this week. We will read a variety of earth book to celebrate Earth Day. Along with reading, we will be completing “book studies”.

April 24<sup>th</sup>- Secretary’s Day

April 22<sup>nd</sup>- Earth Day

May 1<sup>st</sup> – Principal’s Day

May 9<sup>th</sup>- Movie and popcorn party

May 10<sup>th</sup>- Track & Field Day

May 15<sup>th</sup>- Music Performance

May 17<sup>th</sup>- Last day of school!

### Writing: **Writing Prompts**

We will spend the week working on writing prompts based around the theme of Earth Day.

### Math: **Teen Numbers**

We will continue with Chapter 7: Writing number 11-19. Students will continue counting on from the “base ten” method.

### Science: **Earth Day**

We will spend the week discussing the importance of taking care of the planet we live on and things we can do to keep earth beautiful.

## Notes from the Teacher:

- Be sure to keep up with the “Upcoming Events” section of the newsletter. Several new events have been added. Details will be coming as soon as I iron out of the details with the venues.
- For the remainder of the year we will be working strictly on review of concepts EXCEPT MATH, of course.
- I will be sending out summer work packets closer to the end of the year. This is NOT mandatory but if they bring them back at the beginning of next year, Mrs. Collins will have a nice treat for them from me 😊
