

## PAPERLESS OPTION

In an effort to reduce paper waste, we are extending to you the choice of opting into a paperless method of communication. The paperless method would allow you to utilize the website for the cafeteria menu, teacher memos, school news, etc. The Parent Packets will still be used to send home graded papers, artwork and progress reports. However, if you prefer we continue sending news and information in paper form, that option will still be available.

**Please complete this form and return to school office**
